Fall Festival:

We're so excited to be hosting our fall festival again this year! It will take place Friday, October 22nd from 6:30-8:00 outdoors (weather permitting). Included will be a Trunk-or-Treat, games, and activities for all! Last but not least... we'll hold our fall Chili Cook-off!

Chili Cook-off:

Keep an eye out for a sign-up sheet for our Chili Cook-off! Each family that decides to participate will be asked to cook up a batch of their famous chili and bring to our Fall Festival. Everyone will be asked to taste whichever recipe they like and vote for their favorite and the winning families will receive a prize! We always look forward to tasting everyone's creations!

Halloween Parties and Trick-or-Treat:

It's almost time again for our favorite time of the year - Halloween parties and trick-or-treating! Each classroom will post times for their classroom's Halloween party on Friday, October 30th. They'll also include sign up sheets for goodies and supply donations! We'll also have our annual center wide Trick-Or-Treat event this day as well! You can send your child in their Halloween costume this day or send it for them to change into later on - it's your choice. The classes will each take their turn going door to door, earning their treats along the way! If your child has any allergies and you'd like to provide special treats for them to pick from at each class, you are more than welcome to - otherwise we will just make sure to wrap their candy up tight and send it home for you to go through and approve!

Coming up in November...

- Parent teacher conferences (November 22nd - 24th)
- Food donation drive (Date TBD)
- Thanksgiving break (November 25th -26th)
